SUMMARY

Multicultural HEC student and startup founder with hands-on international marketing experience across Europe and Asia. Available for an internship from June 2027, eager to bring a global mindset, strategic thinking and an entrepreneurial drive.

EDUCATION

2026-Present **HEC Paris** — Paris, France
Master of Science in Marketing: Product Management and Tech Track
Ranked #1 Master in Marketing worldwide QS ranking 2027

2024-2025 **Korea University** — Seoul, South Korea
Intensive one-year academic exchange
Ranked #3 in South Korea and #12 in Asia in QS rankings.

2022-2026 **SOAS, University of London** — London, United Kingdom
Bachelor of Arts in East Asian Studies (Honours 2:1)
Finalist, Bill Skillend Dissertation Prize 2026; special commendation for research on cultural adaptation and marketing of K-beauty in the United Kingdom.

PROFESSIONAL EXPERIENCE

Jul - Sep 2025 **Groupe Intuis** — Paris, France
Marketing and Communications Intern (summer internship)

- Conducted market and competitor research on energy-efficient heating solutions.
- Led partner communications with a key international account, turning presentations and follow-ups into a renewed contract.
- Acted as a bridge between multicultural internal teams and B2B clients, keeping messaging aligned across markets.

Apr - Nov 2025 **'Brand Orbit' International Marketing StartUp** — London, United Kingdom
Founder

- Secured 10+ international B2B clients through multichannel LinkedIn and Lemlist campaigns, using a custom lead-scoring model to prioritise high-value prospects.
- Assisted Saas founders (Autoinvoice, ShowYourBrand) in establishing presence across East Asian markets with focus on South Korea, implementing targeted market research and localisation strategies to support successful regional business development.

Nov – Mar 2025 **Social media content manager at 레벨레스큐코리아 (Animal welfare shelter)** — Seoul, South Korea
Part-time

- Implemented targeted social media acquisition strategy achieving four confirmed pet adoptions, by using content optimisation and engagement analytics, resulting in 30% increase in adoption inquiry rates.
- Managed end-to-end digital content workflow including professional photography and website optimisation, improving online visibility by 25%, and streamlining adoption processes.

ACTIVITIES & ACHEIVEMENTS

- **Certifications:** *Google*: Foundations of Project Management, Digital Marketing & E-Commerce; *Columbia University*: Economics of Money & Banking; *Semrush*: AI Visibility Essentials.
- **Societies:** HEC Sports Insights Club, HEC Nordic Society, HEC Extravadance Club, KUBA Buddy Program at Korea University, SOAS Nordic Society, SOAS Film Society.
- **Winner, AI-ckathon x Phenix:** co-developed Dropwise, an AI-driven solution to reduce waste.
